

A Quick Start Guide to Using Paypal Download Manager PDM

Step 1

Login to Admin Area

Go to your admin login page at <http://{your pdm url}/admin>

Enter your [Login](#) and [Password](#).

Click Sign In to access your Admin Panel.

The screenshot shows a login form on a blue background. It contains two input fields: 'Login' with the text 'admin' and 'Password' with masked characters '.....'. Below the fields is a 'Sign In' button.

Step 2

Add a Product

Now that you are in the Admin Panel, we are ready to add a product.

Let's click on **Add a Product**, the button at the top of the Control Panel.

You will be directed to the **Manage Products** page.

Add a Product Page

The Front Page / Store Front

The image shows two side-by-side screenshots. The left screenshot is the 'Paypal Download Manager' 'Manage Products' page. It has a sidebar with a 'Control Panel' menu including options like 'Add a Product', 'Import a Product', 'Edit a Product', 'Generate Link Code', 'Add External Product', 'Edit External Product', 'Add a eBay Item', 'Edit a eBay Item', 'eBay Settings', 'Affiliate Members', 'Affiliate Commissions', 'Product Sales', 'Product Reports', 'Add a Sale', 'eBay Sales', 'eBay Reports', 'Add a eBay Sale', 'Email Buyers', 'Froogle Export', 'Manage Backups', 'Basic Settings', 'Main Page Settings', 'Email Settings', 'Database Setting', 'Payment Buttons', 'Confirm System', 'Help Files', 'News & Updates', 'View License', 'Database Administration', 'Upgrade', and 'Logout'. The main area is titled 'Manage Products' and contains form fields for 'Product Visible' (set to 'Public'), 'Product Name' ('The Wonderful Wizard of Oz - pdf'), 'Product Price' ('\$ 1.99'), 'Product Quantity' (1), 'Product File' (wizard_of_oz.pdf), 'Product Preview' (wizardofoz2.jpg), and 'Product Description'. A 'Save Product Now' button is at the bottom. The right screenshot shows the product page for 'The Wonderful Wizard of Oz - pdf'. It features a title, a quote, a description, a preview image of the book cover, the price '\$ 1.99 USD', and 'Add to Cart' and 'View Cart' buttons. A PayPal logo is at the bottom. Arrows connect the 'Product Name', 'Product Price', 'Product File', and 'Product Description' fields from the left page to their corresponding elements on the right page.

Product Visible

If you want the product to be visible on the front page, set this to 'Public'

If you do not wish for this product to be shown on the front page, set to 'Private'.

Product Visible:

Product Name:

Public ▼
Public
Private

Insert the Product Name, Price & Quantity

Enter the desired name, price and quantity for your product. These information will be displayed on the front page.

Product Quantity is the number of copies of your product to be sent to the customer.

This is usually set to **1** (one).

Product Name:

The Wonderful Wizard of Oz - pdf

Product Price:

\$ 1.99

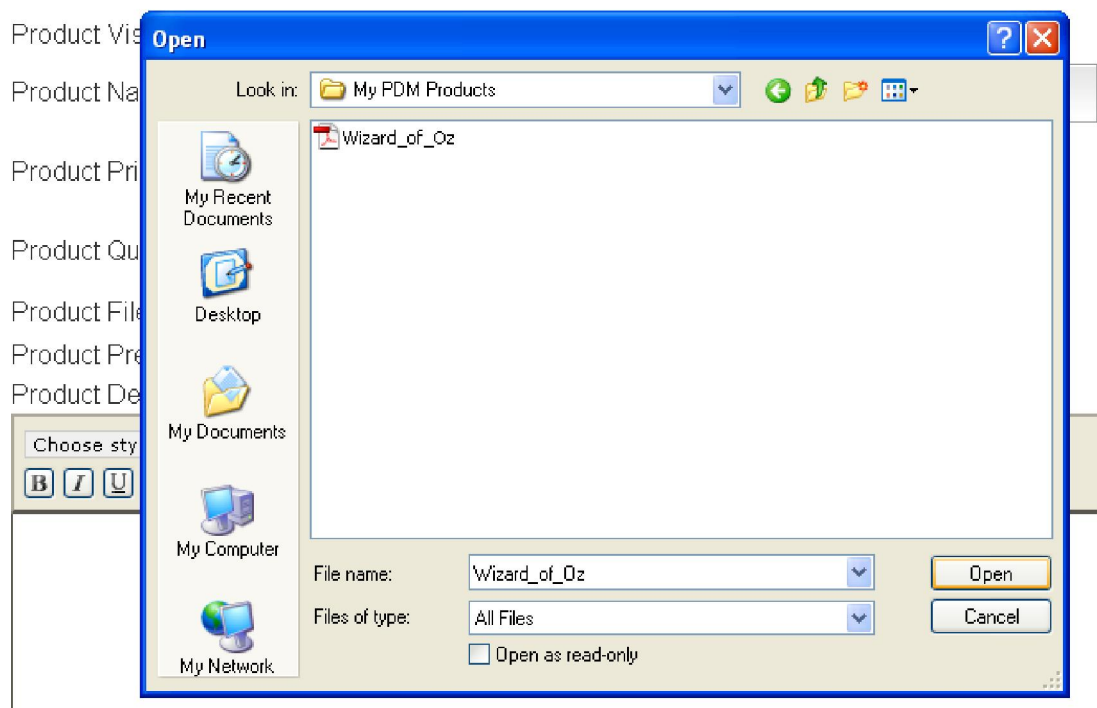

Product Quantity:

1

Select your Product File

Click on [Browse](#) to locate the product file in your computer.

This is the file your customer would be purchasing.

Select your Product Photo

Here you will upload the image file of the product you're going to sell.

If it is a music album, you may want to upload a picture of the Album Cover.

Again, click the browse button and select the photo on your computer.

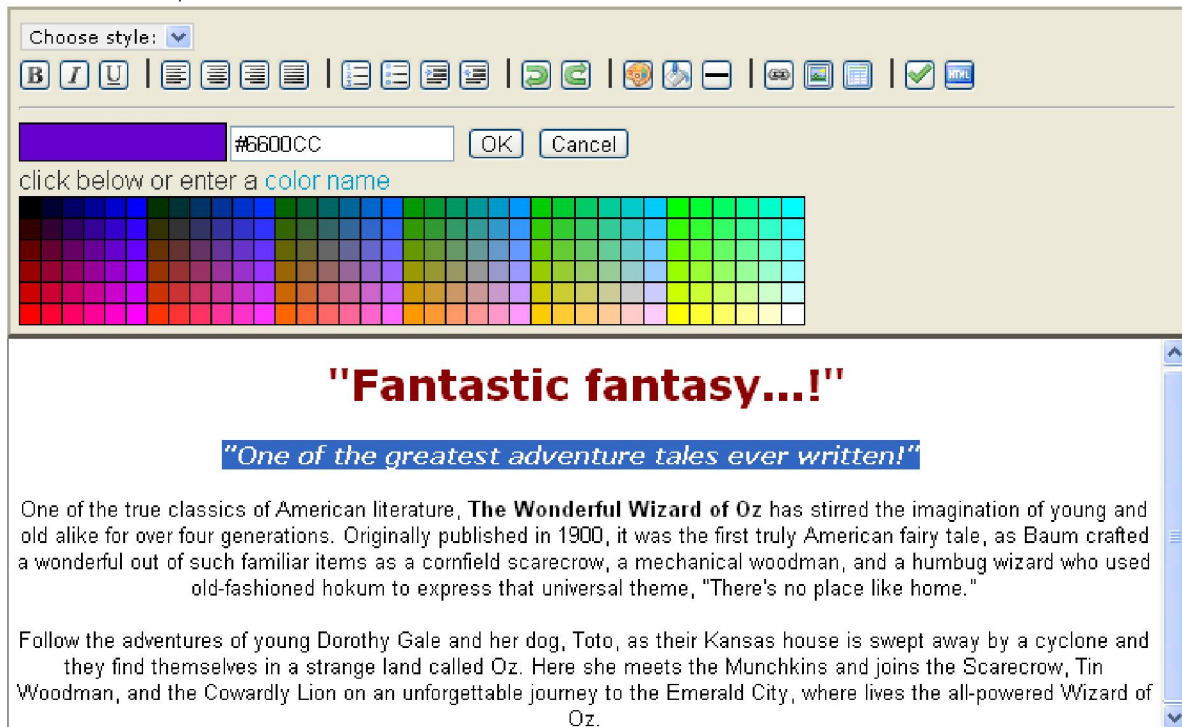

Insert a Product Description

This is a little word processor right here. You can Bold, Italic, and Underline your text.

Choose how you want to align it. Insert Bullet Points. Undo & Redo your changes.

Change the Color of your text. Add Lines and Links. Upload Images. Add a Table. Insert HTML code.

Product Description:

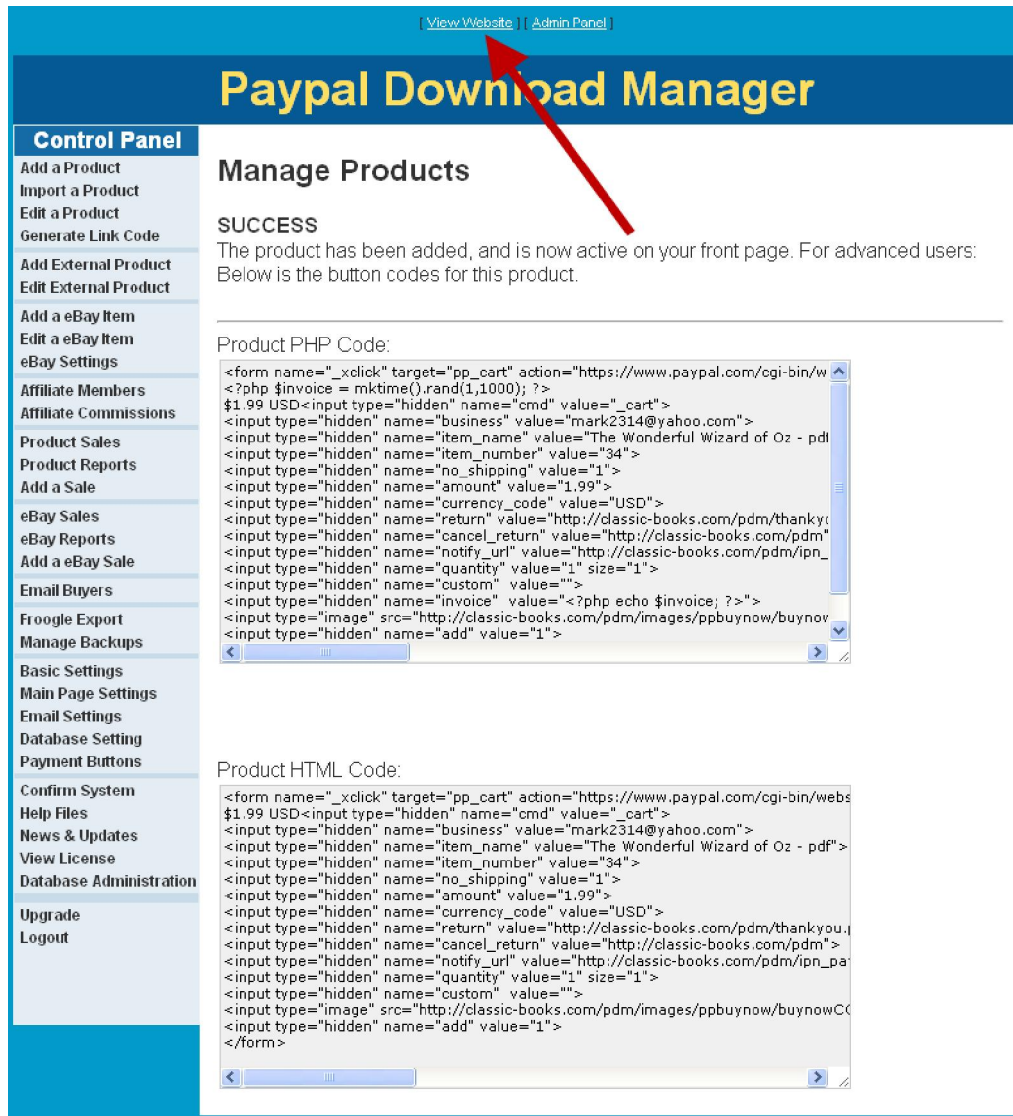

The screenshot shows a web-based text editor for product descriptions. At the top, there's a 'Choose style:' dropdown menu. Below it is a toolbar with icons for Bold (B), Italic (I), Underline (U), text alignment (left, center, right, justified), bullet points, numbered lists, undo, redo, link, unlink, image upload, table insertion, and a checkmark. Below the toolbar is a color selection area with a purple swatch, a text input field containing '#6600CC', and 'OK' and 'Cancel' buttons. Below this is a prompt 'click below or enter a color name' followed by a large grid of color swatches. The main text area contains the following content: the title '"Fantastic fantasy...!"' in a large, bold, red serif font; a subtitle '"One of the greatest adventure tales ever written!"' in a smaller, italicized blue serif font; a paragraph of text about 'The Wonderful Wizard of Oz' in a standard black serif font; and a second paragraph continuing the story of Dorothy Gale in the same black serif font. A vertical scrollbar is visible on the right side of the text area.

When you're done, click on **Save Product Now**.

Please wait while your product file is being uploaded.

The process could take quite a while, depending on the size of the product file you are uploadin

SUCCESS, Your Product Has Been Added

The screenshot shows the 'Paypal Download Manager' interface. At the top, there are links for 'View Website' and 'Admin Panel'. A red arrow points to the 'View Website' link. The main heading is 'Paypal Download Manager'. Below this is a 'Control Panel' sidebar with various options like 'Add a Product', 'Import a Product', etc. The main content area is titled 'Manage Products' and displays a 'SUCCESS' message: 'The product has been added, and is now active on your front page. For advanced users: Below is the button codes for this product.' It then shows two code blocks: 'Product PHP Code' and 'Product HTML Code', both containing complex HTML and PHP code for integrating the product into a website.

You may now view the product on your pdm page <http://{your pdm url}>

Alternatively, you may want to access it through the [View Website](#) link located on the top of the page.

Your Product on the Front Page

Congratulations! Your product has successfully been added to the store front.

It is now ready to be purchased using PayPal.

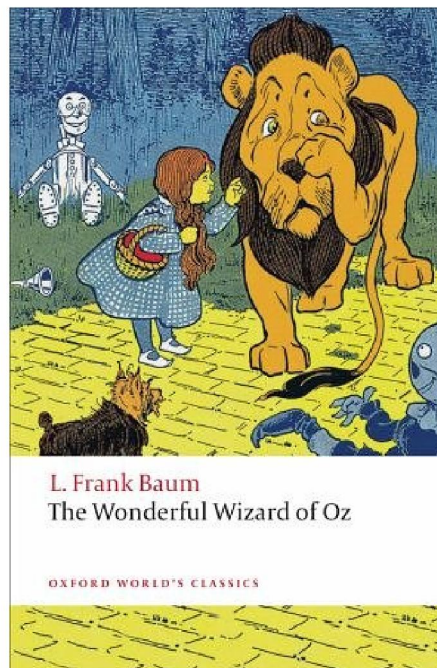

The Wonderful Wizard of Oz - pdf

"Fantastic fantasy..."

"One of the greatest adventure tales ever written!"

One of the true classics of American literature, **The Wonderful Wizard of Oz** has stirred the imagination of young and old alike for over four generations. Originally published in 1900, it was the first truly American fairy tale, as Baum crafted a wonderful out of such familiar items as a cornfield scarecrow, a mechanical woodman, and a humbug wizard who used old-fashioned hokum to express that universal theme, "There's no place like home."

Follow the adventures of young Dorothy Gale and her dog, Toto, as their Kansas house is swept away by a cyclone and they find themselves in a strange land called Oz. Here she meets the Munchkins and joins the Scarecrow, Tin Woodman, and the Cowardly Lion on an unforgettable journey to the Emerald City, where lives the all-powered Wizard of Oz.

Editing Product Details

If you wish to change the file, photo or details of your product,
go to **Edit a Product** under Control Panel.

Insert Your Own Website Title and Description

At the top of your Front page is your Website Title and Description.
You may wish to edit this field through **Main Page Settings** under your Admin Control
Panel.

Website Title

Welcome to Paypal Download Manager

You can login to the admin panel and add a sample product from the link at the top of the page.

You can also purchase a sample product to see how the process will work for your customers.

This whole paragraph can be easily modified within the Main Page Settings page within the Admin Area.

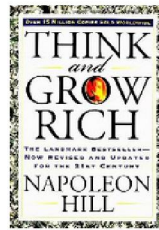

Think & Grow Rich (PDF)

The bestselling success book of all time is updated and revised with contemporary ideas and examples.

Think and Grow Rich has been called the "Granddaddy of All Motivational Literature." It was the first book to boldly ask, "What makes a winner?" The man who asked and listened for the answer, Napoleon Hill, is now counted in the top ranks of the world's winners himself.

The most famous of all teachers of success spent "a fortune and the better part of a lifetime of effort" to produce the "Law of Success" philosophy that forms the basis of his books and that is so powerfully summarized in this one.

In the original *Think and Grow Rich*, published in 1937, Hill draws on stories of Andrew Carnegie, Thomas Edison, Henry Ford, and other millionaires of his generation to illustrate his principles. In the updated version, Arthur R. Pell, Ph.D., a nationally known author, lecturer, and consultant in human resources management and an expert in applying Hill's thought, deftly interweaves anecdotes of how contemporary millionaires and billionaires, such as Bill Gates, Mary Kay Ash, Dave Thomas, and Sir John Templeton, achieved their wealth. Outmoded or arcane terminology and examples are faithfully refreshed to preclude any stumbling blocks to a new generation of readers.

Test Purchase Your Own Product

Now that we are done adding a product, let us test purchase our own product, to see how the payment and download process is like from the customer's point of view.

As PayPal prohibits purchasing using one's own PayPal, we would change the PayPal Payment Recipient to Alurian just for this test Purchase.

To do this, Go to 'Basic Settings' in your Control Panel.

Change PayPal Email to: alurian_payments@gmail.com
